

Returns Slip

Please complete and include this Returns Slip along with any goods you are returning. Feel free to call us on 1300 996 256 if you have any questions about your return.

When returning goods, please ensure you use a registered or trackable post method and please retain the appropriate proof of postage return. Otherwise, if the returned goods go missing in transit back to us, we will deem you not to have returned them. You need to ensure that the goods are adequately packaged to help prevent damage during return transit.

All returned products must be:

- Unworn unused, unopened (if the product has a hygienic seal) and in original condition
- Undamaged
- Returned within 30 days of delivery (proof of delivery date will be required) and
- In a saleable condition

If we think items have been worn or used, then we reserve the right to refuse a refund or exchange.

Please Note: We are more than happy to exchange Clearance items for another size (if we can), but we are unable to offer a refund. The same applies for items as individually marked on Sale.
